

➤ Prepare a report including the following screen shots related to your project

1. Backlog

The screenshot shows the 'Backlog' view of a project management tool. The left sidebar contains navigation options like 'My Items', 'My Recent', 'Notifications', and 'ALL VIEWS'. The main area displays a list of tasks under the 'Facebook integration' header. The task list includes items like 'G+ integration', 'Integrate social media', 'Create custom Theme', 'Install Wordpress on production server', 'Create custom Theme for blog', and 'Install Wordpress for blogs'. The right sidebar shows details for the selected task, including its state ('Open'), effort ('0h'), and assignments ('No Teams').

Feature

2. Individual task board Summary (Status: Open, Planned, In Progress, In Testing, Done)

The screenshot shows the 'Task Board' view of a project management tool. The left sidebar is the same as in the Backlog view. The main area displays a Kanban board with columns for 'Open', 'Planned', 'In Progress', 'In Testing', and 'Done'. The 'Open' column contains tasks like 'Search for support article' and 'Show top 10 support articles'. The 'Planned' column contains tasks like 'User should be able to a', 'Mobile version', and 'Sound-friendly version'. The 'In Progress' column contains tasks like 'Sketch 5 concepts', 'Finalize sketches of 2 concepts', 'Shortlist concepts', and 'Select 1 final concept'. The 'Done' column contains tasks like 'Brainstorm concepts'.
